It is Islam

If the minds are captives of prejudice or narrow-mindedness, they will never recognize the beauty or truth of Islam!

Perhaps some readers already hold preconceived, negative notions about Islam. Perhaps they have seen it only as portrayed by the media, focusing on terrorists - those few who would be terrorists regardless of their religion. Perhaps they have read or heard about Islam from unauthentic or biased sources.

Anyhow, if you are sincerely keen to discover more reliable information about Islam, I invite you to read – objectively and with an open mind – this booklet and the other parts of the series ***Discover its Beauty***, demonstrating the beauty and greatness of Islam, which clearly tells the truth about:

- The creation of the universe and human beings.
- The pure concept of the One true God, Allah the Creator.
- Allah's beautiful names.
- The concept of worship.
- The purpose of life.
- The way to gain true happiness and ultimate pleasure.
- The religion of Adam and Eve.
- The ABCs of Islam.
- Answering humanity's critical questions.
- The last revelation.
- The final Messenger.
- The next life after death.

Islam answers critical questions, such as:

- What is the ultimate truth?

- Who is God's final Prophet?
- Whom should we worship?
- Who are we?
- Why are we here?
- What happens after we die?
- What will the next life be like?
- What is our final destination – Paradise or Hellfire?
- How can we attain true peace of mind, success, and real happiness?

Conclusion

The more you read and learn about Islam from authentic and reliable sources, the more you will discover that it is the true religion of Adam and Eve and their descendants until the end of this world. The religion of Islam is simple, logical, clear, practical, and comprehensive.

The beauty of Islam is infinite, since it comes from the Infinite One, the Creator. The One true God, Allah, states in the Qur'an:

This day I have perfected for you your religion and completed My favour upon you, and have approved for you Islam as your religion. (5:3)

The same One true God, Allah, tells us that Muhammad (may Allah's blessings and peace be upon him) is His last and final Prophet, sent to all humankind (Jews, Christians, Muslims, Hindus, Buddhists, atheists, agnostics, and others).

Allah offers His guidance and light to all people. He reveals the secrets and keys through which we can achieve tranquillity and contentment, as well as spiritual and global peace.

Islam teaches us to be just, wise, sincere, honest, objective, and open-minded in our search for the truth.

The Testimony of Faith

(The Gateway to Islam)

“I testify that there is no god but Allah, and I testify that Muhammad is the Messenger of Allah.”

In Arabic, it sounds like this:

**ASH-HADU ALLA ILAHA ILLA ALLAH, WA ASH-HADU
ANNA MUHAMMADAN RASOOLU ALLAH.**

This is the testimony of faith that one needs to pronounce in order to embrace Islam; it sums up the truth, beauty, and simplicity of Islam.
